Cumulative Grants Now Over \$100,000!

Showing a steady upward trend, total grants received by the L-P Schools have now broken the \$100,000 mark! With the recent 2019 grant of \$16,065 the grand total stands at \$109,303.

Over the years these grants have supported a wide variety of subjects in all of the District's buildings. A detailed listing of all grants can be found on the "Grants" page of our website, www.lpschoolfoundation.org.

These grants have been fueled in part by 20 consecutive years of "Senior Projects" which have

raised over \$50,000. In addition to raising this money, each graduating class has given back to the community, typically by collecting food for the local [Helping Hand](#) food pantry.

Finally, the Foundation would be

remiss if we did not thank our 1,256 supporters, whose gifts have created this increasing stream of grants.

**Without your support these grants would not be possible!
Thank you VERY much!**

The event raised \$4,490 to benefit the Loudonville-Perrysville School Foundation. *(continued on bottom of Page 6)*

Senior Class Co-Presidents Emma Hinkle and Nikki Weber thank the crowd for supporting the 2019 Senior Project, titled "Senior Night Live."

In Memorium — Mrs. Robinson

Kris (Priscilla) Wells, LHS 1963, made a donation earlier this year in the memory of Mrs. Marjorie Robinson, pictured here.

Mrs. Robinson was an iconic teacher of English and Journalism for over 30 years. Armed with a Bachelor's degree from Otterbein College, a Master's degree from The Ohio State University, and her ubiquitous purple pen, Mrs. Robinson was a driving force behind the success of the school newspaper, "The Redbird."

The Foundation sends its thanks to Ms. Wells for remembering this remarkable teacher who always demanded the very best from her students.

Redbird Alumni Challenge

The 4th annual Redbird Alumni Challenge was held over the October 18th Homecoming weekend. By every possible measure, it was far and away the most successful campaign to date.

The Class of 2005 was declared the winner, with 48 classmates making donations. Their Class Treasury will receive \$50 to help with their next reunion. The Class of 2006 placed second, and the Classes of 2004 and 2008 tied for third place.

In total, 174 graduates made donations. Even more impressively, each of the 21 eligible classes had at least one class member make a donation. The total amount raised by the 2019 Redbird Alumni Challenge was \$2,779.

In comparison, the previous high for

donations was \$1,362 in 2017. The previous high for the number of supporters was 66 in both the 2016 and 2017 campaigns.

More details are available on the Redbird Alumni Challenge page of our website. Follow this [link](#) or go to the Events page of our website.

Thank you to all the recent graduates for making this 2019 campaign a HUGE success!

Special thanks go to the Class Presidents (and many others) for encouraging their classmates to support this event. The listing to the right shows Class Presidents who have made donations since the Foundation’s incorporation in 2008.

L-P School Foundation, Inc.
 P.O. Box 73, Loudonville, OH 44842

The Loudonville-Perrysville School Foundation, Inc. (LPSF) is governed by a seven-member Board of Trustees. The Foundation meets once a quarter, in January, April, July, and October. If you have any questions about LPSF, or if you would like to attend one of our meetings, please contact any of the trustees listed in the box on Page 2. Information about the Foundation and its activities is available on our website, www.lpschoolfoundation.org.

2019 Teacher Mini-Grants

Five Teacher Mini-Grants in the total amount of \$2,500 were awarded last July. This represented the third straight year of the Foundation awarding grants directly to teachers, based on a competitive application process.

Teacher Mini-Grants are to be used for materials, equipment, or other expenses related to a program or project not supported by the school budget, and are limited to \$500 per teacher.

Kendra Carnegie teaches Agri-Science, and her Mini-Grant will help with an aquaculture/hydroponics upgrade in the greenhouse at the high school building.

Angie Dawson is a Licensed Health Care Professional who provides vision and hearing screening to students throughout the L-P School District. Her Mini-Grant will purchase equipment to allow Angie to better serve our students.

Jim Gale will use his Mini-Grant to purchase materials for the 8th grade Flight and Space Class. Students will study the history of aviation and space travel, and will then design, construct, and launch functional rockets.

Angie Marotta teaches 1st grade, and her Mini-Grant will help purchase document cameras for three 1st grade rooms. The document cameras let teachers display student work on activeboards, thus allowing the entire class to easily

Two students in Angie Marotta's 1st grade class learn addition while playing a math game. The action can be seen on the screen by the entire class, thanks to a document camera purchased with Mrs. Marotta's 2019 Teacher Mini-Grant.

see the positive work samples being displayed by the teacher.

Megan Sellers will use her Mini-Grant to increase the size of the library in her classroom. She feels that making independent reading materials more accessible will stimulate reading interest in her 9th grade students.

A listing of all [Teacher Mini-Grants](#) is available on our website.

Payroll Deduction

The Foundation wants to thank the L-P School staff for their continued and increasing support via the payroll deduction program.

2019 Senior Project (cont'd from p. 1)

In addition to the money raised to help our schools, audience members generously donated almost 200 items to the Helping Hand food pantry.

These Senior Projects have been an annual tradition for 20 consecutive years, beginning with a 1,500-person Human Chain across the Village of Loudonville in the year 2000.

Special thanks go to high school teacher Aimee Ross, Class of 2019 Advisor, for her many hours of work with the students. Additional thanks go to [Buz-zard's Family Shoes](#) for selling tickets,
