## **\$100,000 Challenge Match!!!**

*“What a wonderful and generous gesture to help our schools”*

*“A once in a lifetime opportunity”*

*“Our supporters can see their gifts doubled”*

*“Just imagine how our grants to the L-P Schools can grow if we secure this match”*

These were some of the reactions from L-P School Foundation Trustees when they learned of the \$100,000 Challenge Match being offered by the Ramser Family for the L-P School Foundation’s 2022 Annual Campaign.

### How The Match Will Work

The match is designed to encourage first-time gifts from new supporters, or increased gifts from previous supporters. Here are the details:

- The match will be done on a dollar-for-dollar basis, up to a maximum amount of \$100,000.
- Any gift from a first-time donor is eligible for the match.
- For previous donors, the difference between their 2022 gift and their 2021 gift will be eligible for the match. (For example, a gift of \$100 in 2021 followed by a gift of \$125 in 2022 would result in \$25 being eligible for the match.)
- Donations must be received between January 1, 2022 and December 31, 2022 to be eligible for the match.

### Why The Match Is Being Offered

Ramser Family spokesman Mark Ramser commented, “The Ramser Family has always been a strong supporter of education, and we are pleased to offer this challenge match to spur the continued growth of the L-P School Foundation. Having followed the Foundation’s activities for many years, we know the 2022 campaign donations will be efficiently used to benefit both current and future L-P students. We encourage new and existing donors to support this campaign and help the Foundation reach the \$100,000 goal.”

### How to Donate

- Mail a check payable to L-P School Foundation to PO Box 73, Loudonville, OH 44842
- Donate online at [www.lpschoolfoundation.org/donate](http://www.lpschoolfoundation.org/donate)
